**STAFF ASSIGNED TO ADDRESS ISSUE:** Lyle Mann

**SUMMARY:** Chief Bobby Joe Harris, Chandler Police Department, is attempting to send two of his lieutenants to the California POST Management Course. According to the attached correspondence, he requests AZPOST examine the California program and assess how we might be able to move toward a similar program.

In a very articulate way, Chief Harris has encapsulated a concern which staff has had for some time. In the early 1990's, then ALEOAC attempted to mirror the California program with one for Arizona law enforcement managers. Due to a variety of issues, the program was discontinued.

Staff will be monitoring the experiences of the Chandler lieutenants and looks forward to discussing the California program with them, as the need for training when individuals move to higher ranks cannot be understated.
